December 18th, 2015

Dear Parents,

What a brilliant first term we have had. I just wanted to take a moment to thank you all for the support and dedication you have given to our school.

We have ended this week with a vibrant and festive 'Carols by Candlelight'. I must say a massive thank you for the efforts of the PTA this year, who have continued with movie nights and discos and still managed to fit in a Christmas event for the whole family. It truly was a magical evening. Without the support from parents, our school would not be the place it is. 'Working in Partnership for Success' is so vital. We are successful because of the strong partnerships we have with all of those involved. So, thank you, your commitment is greatly appreciated.

We hope that you have enjoyed all of the festivities leading up to Christmas and look forward to welcoming you into our school for many more events in the New Year.

The children have been working so hard this term, amongst rehearsals for the performances and all the other activities that they have been doing, they have continued to model perseverance, resilience and fortitude. You should be very proud of all their efforts this term and ensure they have a well-deserved break.

The team at Crowmarsh look forward to a new year, where we will continue to engage your children in their learning, quench their thirst for knowledge and continue to challenge them to be the most successful independent learners possible. Already, we have so much to be excited for!

So finally, thank you to everyone. I always say how blessed I am to be the headteacher of Crowmarsh Gifford. I honestly have the very best job in the world and look forward to being with your children here at school every day. Thank you for allowing us the pleasure of teaching them, they are a joy and the most polite and well-mannered children ever. All of our many visitors into school have always commented on how courteous our children are and what an amazing atmosphere our school has. This is Crowmarsh and we all cannot wait to see you again in January.

Until then, we wish you and your families a very merry Christmas and a Happy New Year.

With Best Wishes,

Mrs Barton
