P.E. Funding Expected Spend

Total Amount Expected 2015-2016: £9,010

The areas we have chosen to spend our money on this year in PE are as a result of the impact from the previous year's spend. Over the past three years the standards of sport and P.E have risen dramatically and we are now working towards our afPE award to highlight the outstanding provision of sport we offer to our children. As a result of the highly effective practice from last year, please find below how we intend to spend our P.E. grant this year. We continue to strive for excellence in the delivery of P.E. and in the experiences that our children have of sport throughout their primary years.

Coaching/Delivery	
Details	Cost
Ignite Sport's Coach	£7,000
Basketball Coaching	£1,200
P.E. Coordinator's Time	£342
Swimming Coaching at the Oratory	£1000
Top-Up Swimming at Cranford House	£216

Benefits: Children will again benefit from a range of sport experiences. Feedback from pupils has been very positive regarding basketball which is why we have now included it as part of our Year 4 experience throughout the year for part of their P.E. We have also changed our swimming arrangements to offer a full hour of coaching with two coaches to provide effective swim instruction to further ensure that all pupils are able to swim to set curriculum standards. (Previously swimming was only offered for 30 minutes in a smaller Oxfordshire County Council pool). Top-Up Swimming allows us to provide further swim instruction to our older pupils who still need additional tuition.

Participation	
Participation in Cross Country	£60
Minibus Fees	£280
Participation in afPE	£300

Benefits: Our school now benefit from participating not only in partnership competitions but also further afield. We now have a very popular run club that is always expanding which means we are now signed up to compete in the cross country tournaments. Our focus and developments in PE have led us to work towards the afPE award to celebrate our achievements in sports.

Equipment

Update of PE Lesson Equipment	£200
New playground lines drawn/netball lines	£1,000

Benefits: To ensure we always have the equipment we need for our various sports that we provide. The new lines are needed for our netball team and basketball team. We also hope to have other lines drawn to help deliver other playground based games.

Training

Minibus Assessment	£170
P.E. Training for Teachers	£200

Benefits: Again, to ensure we have enough staff trained to drive the minibus so that we can attend as many sporting competitions as we can. Training continues to allow teachers to feel confident in all areas of PE and to consistently deliver outstanding lessons.
