P.E. Coordinator's Time	£342.00
Top Up Swimming at Cranford House School	£216.00

Impact

We have been able to offer an extensive range of sporting activities allowing children to find 'something' they enjoy. Expert coaching in school has meant that teachers benefit from specialist coaching. Teachers trained previous year by another Ignite coach.

Continuing to have a separate coordinator for the inter-school competitions has been of huge benefit to the pupils. They have participated in a huge range of sports and competitions building both confidence and fantastic sportsmanship. We hope to further expand the sports we compete in next year.

Equipment	
Additional Sports Kit	£200
Updated P.E. Equipment	£200
Minibus Transport Fees	£300

Impact

Children are experiencing a range of sports including basketball, hockey, football, rugby, tennis, archery, rounders, etc. Children are engaged and excited by P.E. lessons. Use of the minibus means we can take children to a range of sporting competitions without relying on parental help, meaning trips will always go ahead as planned!

Training	
Minibus Assessment	£170
P.E. Training for NQT	£150

Impact

More minibus drivers means ease of accessibility to out of school competitions. Training has meant that teachers are skilled and proficient in different areas of P.E.
