Information texts

Learn how to use past and present tense correctly including the progressive form.

Learn how to use familiar and new punctuation.

Favourite poems

Use a variety of end of sentence punctuation.

Use capital letters for the start of lines in poems.

Begin to use commas correctly.

Quest and adventure stories

Identify and use sentences with different forms.

Use and distinguish past and present tense.

Learn how to use familiar and new punctuation.

Recounts

Use subordination and co-ordination writing sentences with two main clauses or with subordinate clauses.

Punctuate questions with question marks and sentences with full stops and exclamation marks.

Use grammatical terminology.

Poems about birds and nature

Use expanded noun phrases in writing descriptions

Use familiar and new punctuation correctly

Maths

Locate, order and compare 2-digit numbers

Use < and > signs; locate numbers on an empty 0-100 line

Count in 100s to 1000; add 2-digit numbers by counting on in 10s and 1s;

Subtract 2-digit numbers by counting back in 10s and 1s

Use doubles and number bonds to add three 1-digit numbers

Use number facts to 10 and 20 in number stories

Find complements to multiples of 10; understand subtraction as difference and find this by counting up; find small differences either side of a multiple of 10

Add and subtract 1-digit numbers to and from 2-digit numbers; subtract 2-digit numbers by counting back in tens and ones; add two 2-digit numbers by counting in 10s, then adding 1s; add 2-digit numbers using 10p and 1p coins (partitioning, answers less than 100); add 2-digit numbers using place-value cards (partitioning, answers more than 100)

Maths cont.

Measure weight using standard or uniform non-standard units; draw a block graph where one square represents two units; weigh items using 100g weights using scales marked in multiples of 1kg or 100g; measure capacity using uniform non-standard units; measure capacity in litres and in multiples of 100ml

Double multiples of 10 and 5 (answers less than 100); double 2-digit numbers ending in 1, 2, 3 or 4 (answers less than 100); find a quarter of numbers up to 40 by halving twice; begin to find $\frac{3}{4}$ of numbers; find $\frac{1}{2}$ $\frac{1}{4}$ and $\frac{1}{3}$ of amounts (sharing); spot patterns and make predictions when finding a third of numbers

Science

Plants Living things and their habitats

History

Florence Nightingale

Lives of significant historical figures, including comparison of those from different periods.

Geography

Compare the local area to a non-European country. Use basic vocabulary to describe a less familiar place.

Use atlases and maps to explore geographical features using symbols.

Compare how life might be different in a seaside location.

RE

Judaism Pesach Rosh Hashanah Yom Kippur Hanukkah

Key Concepts: Christianity; Judaism; Old Testament (story of Joseph); New Testament (story of Zacchaeus)

Who do I believe I am?

What can I learn from stories from religious traditions?
