Quickly Jack put on his spotted blue jumper at the same time Amelie put on her pink and purple star wars jumper; then they crept down stairs. When they had put on their shoes on then Jack went to go and open the door but it was locked.

"Oh no where's the key from the front door?" Asked Jack.

"I know they're in the draw next to you Jack."

Jack quietly turned the key in the lock.

"Where's that alarm coming from?" questioned Jack.

"It's coming from the school, quick!"
