Subordination Noun phrases Apostrophes	Appropriate behaviour online. e-safety Emotional wellbeing	Electricity Changes in humans as we grow Puberty	Clarinets

Youlbury

We will be looking into the last of the logistics for the Youlbury trip at the end of the school year. There will be a presentation to parents with all of the information for the trip. This presentation will be taking place at 6pm on Thursday the 20th of June and will be an opportunity for questions and answers. All presentation slides will be printed off and handed out to those that can and cannot attend.

If any of you would like a meeting about Youlbury, please see me or the office to book in a time prior to the trip.

Swimming

Those children that are swimming will now be swimming until the end of the school year at Cranford house on Thursday afternoons.

Last term before year 6! Let's make it a good one.

Mr Morton
