

The following are just a few key notes which may be of interest to you.

SAT's

The main news for this part of the term. They take place in the week of the 13th May and run from Monday to Thursday as outlined below.

	9:00 – 10:00	10:30 – 12:00
Mon		Spelling and Grammar
Tues		Reading Paper
Wed	Arithmetic paper 1	Maths Reasoning Paper 2
Thurs		Maths Reasoning Paper 3

I have worked hard to get the balance right, being suitably prepared while maintaining the curriculum in its wider form. As it stands, I am pleased with the results. It is important to me that the message does not become distorted as the time draws near. The most I would ask anyone is that they are well rested and on time having had a full breakfast.

End of Year Details

In summer term 2 there will be a couple of nice end of year events, the dates and details of which will be conformed nearer the time.

End of Year performance:

This is a play that we write and put together throughout the final English unit of work. The past couple of years have seen us tackle Macbeth and Wonder but each year I try to do something different to keep it varied for families. This year I intend to take on Beowulf but you should note that because I write these from scratch, I make the final decisions a little later than now once I have seen how the work is going. #seat of pants.

Leavers Service

This is my favourite part of the year. Each year we try something a little different but the last couple have seen us start to settle on a bit of a format. As a class we will make a short video where each child will talk a little about their life at Crowmarsh School, punctuated by interjections from myself. It seems to work well and is a genuinely lovely ceremony. All family members are welcome to attend,

As previously stated, details will follow nearer the time as the events are fairly organic and can change substantially as ideas and logistics strut and fret their hour on the stage.
