

Year 6 - Spring 1 - Overview

For maths and English see separate medium plans

Science Natural selection and Evolution: • recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago • recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents • identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.	History What does it mean to be British? A summative look at the timeline of England over a period of approximately 2000 years, with a focus on several key elements and how they affected the local area. Time periods visited are as follows: Roman invasion Saxon invasion (Little Wittenham as an iron age fort) Viking invasion Norman invasion 1066 – 1068 founding of Wallingford castle 1642 – English civil war – use and eventual demolition of Wallingford castle / links to Carrisbrooke castle on the Isle of Wight (fast forward) Battle of Trafalgar – HMS Victory	• RE / PSHCE • Transition work. • Investigating resilience in times of change • Managing own expectations / setting goals / achieving own goal
Art Continues to track art through the decades as we move through Cultural Reference Point Friday Mary Quant inspired DT Andy Goldsworthy	End of Year Play An interpretation of Beowulf as studied in English
