

Year 5 newsletter

I hope you have all had a restful summer and are ready for Year 5. Please see the medium term plans for details on what is being covered in maths and English this term.

Topic web

English • Setting descriptions and poetry	Maths • Number and place value • Addition and subtraction • Multiplication and division	Geography • Local area study • How has Wallingford changed over time?	PE • Self-defence • Swimming
Grammar • Expanded noun phrases • Adverbial clauses	PSHCE • Appropriate behaviour online. • e-safety	Science • Living things and their habitats • Properties of materials	Music • Clarinets

Youlbury end of year trip

I appreciate that this is a long time away, but we will be organising the Youlbury trip early during the first term. The dates for the trip are Wednesday 1st of July to the 3rd of July. More information will be coming out about the trip later in the term.

Swimming

Swimming lessons will be taking place for the Year 5 children during this term and the next. More information will be coming out in the first few weeks of term.

Homework

Homework will be handed out on Friday afternoon to be handed in the following Thursday. We will go through the homework on the Friday in class, before the new homework is set.

If homework has not been completed, I will be expecting the children to complete it during lunchtime for the afternoon session on Friday.

The children are more than welcome to come see me in the week for help with their homework, however I do expect them to be rushing to see me on a Thursday afternoon before it needs to be handed in.

I am looking forward to a good year in Year 5.

Mr Morton
