OXFORD LIEDER FESTIVAL

11–26 OCTOBER 2019

TALES OF BEYOND

MAGIC, MYTHS AND MORTALS

BEYOND OXFORD

We are delighted to work in partnership with two thriving promoters in Witney and Wallingford to present two days of song in these beautiful Oxfordshire towns. Both partnerships will follow similar formats: SongSpiel's fun and inspiring family concert; a talk given by the brilliantly engaging Katy Hamilton, aiming to demystify the song recital for anyone who previously felt it wasn't for them; and a repeat performance of the thrilling programme of ghosts and spirits given by world-renowned artists Maria Forsström and Matti Hirvonen.

Presented in association with Witney Music Society and Music at St Peter's Wallingford

TALK

SOUNDING OUT SONG

FREE

Katy Hamilton is one of the most sought-after speakers on music in the UK, and today she gives an introduction to music and poetry intended to dispel any concerns people might have that song is 'not for them'. With a bit of background, some cultural context and tips on how best to approach songs in foreign languages, this talk sets out to demystify 'art song' and promises to be fascinating for all.

Saturday 19 October, 4pm – 4.30pm
High Street Methodist Church, Witney

Sunday 20 October, 3pm – 3.30pm
St Peter's Church, Wallingford

CONCERT

THE DOPPELGÄNGER

Dear Parent/Carer,

We are excited to announce that we will be running a brand new **Tech Club!**

With 75% of jobs in the future that will involve the use of technology and a shortfall of experts to share their wisdom, we have set up **Tech Club** to help children **excel in the STEM subjects** and provide them a first-class education using the latest cutting edge technology.

If you want to learn a musical instrument... You would go to a music club.

If you want to learn how to play tennis....You would go to a tennis club.

But where would you go to learn how to create a **motorised alarm clock, attached to a 3d-printed and programmed robot, that dances to your own digitally-produced beat?** The Tech Club, that's where!

The Tech Club provides the best technology with DBS Cleared techno-crazed teachers without having to purchase. Activities include....

VR Content Creation

Augmented Reality

Robot Building

Minecraft Coding

Ingenious Inventors

Music Production

Who?

The Tech Club is for ages 7-11,

Where and When?

The club will run on a **Monday, 5:30pm - 6:30pm at Downley Community Centre, HP13 5TR.**

The club will start for the Summer term on **29th April 2019** and will run for 9 weeks (exc 6th May and half-term week).

How do I enrol?

Fees for the Summer 2019 Term are £10 per session/ **£90** . Enrolment and payment is done **online only**. Spaces work on a first come first serve basis. To enrol simply select evening clubs when on the webpage below.
