

Additional funding for your child

Your child's school may be able to claim an additional £1,320 to spend on supporting your child's learning?

How could this help my child?

Schools will use the money in ways they think will support your child's learning and development and improve their educational outcomes.

Do I qualify?

If you receive one of the following benefits, your school will be entitled to claim extra funding for your child:

- Income Support
- Income Based Job Seekers Allowance
- Child Tax Credit Only (with income up to £16,190) with no element of Working Tax Credit
- National Asylum Seekers Support
- Guarantee Element of the State Pension Credit
- Employment and Support Allowance (income related)
- Universal Credit (income dependant)

Or if your child:

- Has been in local-authority care for 1 day or more in England or Wales
- Has been adopted from care in England or Wales
- Has left care under a special guardianship order or residence order in England or Wales

What do I do next?

If you think you qualify, it's quick and easy. Talk to your child's teacher or the school office and the school will apply for the funding.

(If you are eligible, your child will automatically receive Free School Meals when they reach Key Stage 2.)
