Youlbury end of year trip

I appreciate that this is a long time away, but we will be organising the Youlbury trip early during the first term. The dates for the trip are the 28th to the 30th of April. More information will be coming out about the trip later in the term.

Homework

Homework will be handed out on Wednesday afternoon to be handed in the following Wednesday. We will go through the homework on the Wednesday in class, before the new homework is set. If homework has not been completed, I will be expecting the children to complete it during lunchtime for the afternoon session.

The children are more than welcome to come see me in the week for help with their homework; however I do not expect them to be rushing to see me on a Wednesday afternoon before it needs to be handed in.

I am looking forward to a good year in Year 5.

Mr Morton
