What are the hazards?	What are you already doing?	Do you need to do anything else to manage this risk?	Action by whom?	Action by when?	Done
Contact of shared resources resulting in indirect transmission of the virus	Any shared resources disinfected Photocopiers – should be wiped down before and after use or glove must be used at all times. KS2 photocopier to be used only when children are not in school Ensure no one is in area. Office photocopier to be used by office staff only during school hours and used by KS1 staff only when children are not in school. If photocopying needed please contact office. Same as above.	Ensure cleaning in place of any shared resources Resources shared between classes (i.e. Maths resources/Computers) must be cleaned and disinfected before moving bubbles or be left unused for 48 hours (72 hours if plastic) Reading books quarantined for 48 hours. New cleaning resources or PPE restocked as necessary	ALL Give to FB but ALL		
Emotional distress of the staff – including anxiety	Clear plans in place for all staff Before staff come into school full induction and clarity over what controls are in place to keep children and themselves safe. Staff sent e-mails about our wellbeing services through SAS and can access NAHT wellbeing services. Weekly meetings with ALL staff (separate for TAs and Teachers with headteacher to lead) Staff access their 'bubble' through relevant doors – same as children access to prevent cross contamination All windows and doors to be open for cross-ventilation to air out for breathing	Training as necessary as new teachers come into school again. Wellbeing of staff is a real concern (October) – need to put in place further days, etc, to help them have something to look forward to. Appraisal only focused on wellbeing and curriculum development and online learning. Wellbeing of staff continues to be a priority at all times.	FB	Induction for newly returning staff Ongoing

What are the hazards?	What are you already doing?	Do you need to do anything else to manage this risk?	Action by whom?	Action by when?	Done	
	Parents informed that children can bring in additional clothing for cold days.	Keep cross ventilation – all top windows open at all times and some other level of cross ventilation– whatever level of ventilation keeps you happy and feel safe. JA to know all updated timetables to ensure doors open and all windows		Reminder to parents about additional clothing.	8/03/21	
Risk of spreading virus due to close contact with children – 1:1 and restraint resulting in direct transmission of the virus	PPE given to all staff – refreshed as needed by requests to FB Staff to use relevant PPE if a child falls over – all staff who are first aid trained know what PPE to use. Where accidents happen but are very minor, children talked through how to clean their scrapes and cover with a plaster, etc. If children do not comply with distancing rule or break behaviour rules, staff can call parents to pick up. Individual behaviour risk assessments written and conversations with parents..	Ensure all PPE is in stock and keep restocked	FB/SR	1/06/20 Ongoing restock	Yes	
		Stock Check on First Aid Bags before return in September – including any medication kept at school e.g., inhalers	LT	1/09/20		
Risk of spreading virus due to poor hygiene resulting in indirect transmission of the virus	Extra hand washing posters up on display Reminder of handwashing techniques and hand gel reminders Hand Gel dispensers in all shared areas . Gel used throughout the day where necessary (but handwashing used as priority) gel used on exit to home.	In June go through handwashing again with all children and show videos.	FB	Ongoing

May 2021 – Please review all highlighted in yellow

What are the hazards?	What are you already doing?	Do you need to do anything else to manage this risk?	Action by whom?	Action by when?	Done
Risk of illness of vulnerable staff and family members through direct and indirect transmission of the virus	Anyone at more risk must follow procedures in place and strictly adhere to guidance given and distancing/PPE, etc New staff given full induction into school before coming in to ensure safety of everyone	Continue to monitor staffing situation Training of being in school, etc, provided on an individual basis	FB FB	Fortnightly As necessary	
Risk of transmission of illness if a staff member or child has COVID-19 symptoms	Temperature checks in place as necessary (If child feels hot, we call parents) Any symptoms, parents called to pick up straight away Staff with symptoms or any illness, must stay home. Parents given information about testing and can only back into school with negative test. If 2 positive, all bubble must self-isolate for 14 days. Flowchart will be handed out and used where cases are positive. No children to be sent to office area but all in breakout areas .	When parents pick up children – they come to front office door (not let in) Office to remind parents that child MUST have Covid test before coming back into school. Office then radio classroom and staff member must walk child (social distance and PPE if necessary) to their parents at the front of the school. If any members of your household (or support bubbles you have been in contact with) are having to self-isolate due to track and trace, etc, we ask that children be kept at home as well. If anyone in household/support bubble or childcare bubble have symptoms ALL MUST self-isolate. For 14 days or until tested Follow flowchart as necessary	All staff	As necessary
